TOP START International Business Leader Program @ BASF

Are you ready to take the first step towards an international career as a leader? Join us for an insightful livestream event about the TOP START International Business Leader Program by BASF. The program offers an excellent start to a successful career in General Management, designed for exceptional talents with leadership potential. The program is sponsored by board members of BASF and has a flexible program structure. You can shape your program experience based on your background and interests. BASF provides a wide range of opportunities across various industries, countries, and functions, making the program unique for each participant.

We seek outstanding business graduates and professionals with a global mindset and leadership potential. Candidates should hold a master's degree, PhD, or MBA in a business-related field, with no more than three years of work experience, and have completed internships with top employers. Fluency in English and at least one additional language is required.

Why You should join:

- Exclusive insights into a unique leadership program: Gain valuable information about the TOP START International Business Leader program and how it helps you to unlock your full potential.
- Hear from current trainees: Listen to firsthand experiences from a current trainee/alumni sharing the individual journey through the program, personal impressions, success stories and tips.
- Get answers to all your questions: Take advantage of the opportunity to ask questions and learn more about the program details, entry options, and the career path at BASF. Discover what makes the TOP START International Business Leader Program so exceptional!
